

ISA Executive Committee Decisions

Date: 1 December 2025

Format: Virtual Meeting

Overview

The Executive Committee (EC) convened to review strategic updates and take decisions relating to:

- Brisbane 2032 Olympic Program
- Membership matters
- LA28 Qualification System

1. Brisbane 2032 Olympic Programme

- The EC received an update on the ongoing IOC-led review process regarding the Brisbane 2032 sports programme.
- The EC acknowledged the current status and agreed to continue engagement with relevant stakeholders while awaiting further clarity from the IOC review process.

2. Membership – Dominican Republic

- The EC approved a membership-related decision concerning the Dominican Republic, including interim measures to ensure continuity of athlete participation and a defined process for future membership regularization.

3. LA28 Qualification System

- The EC reviewed and approved the updated LA28 Qualification System, subject to final confirmation through the IOC process.
