

## **ISA Executive Committee Decisions**

Date: 12 September 2025

Format: In-person (El Salvador)

### Overview

The Executive Committee (EC) convened to review strategic, operational, and governance matters relating to:

- Strategic Planning toward 2032
- Financial outlook and sustainability
- Olympic Games preparation (LA28 & Brisbane 2032)
- Organisational updates and policies
- Membership matters

#### 1. Approval of Previous Minutes

- The EC formally approved the minutes from the 1 April 2025 meeting without amendments.

#### 2. Strategic Planning / Towards 2032

- The EC reviewed updates to the Strategic Plan and provided input on priorities and scope, including alignment of disciplines and existing programme areas.

#### 3. Finance

- The EC reviewed financial reports and forecasts, and agreed on the importance of strengthening funding strategies, operational efficiency, and long-term financial planning.

#### 4. Olympic Games – LA28 Qualification System

- The EC reviewed and supported the proposed direction of the LA28 Qualification System, with a final version to be presented for approval at a later stage.

#### 5. Organisational Updates & Policies

- The EC reviewed operational updates across events, marketing, and development.
- The EC agreed in principle to proceed with updated governance policies (Code of Ethics, Code of Conduct, and Safeguarding), with final approval to follow.

#### 6. ISA Events & Bidding

- The EC acknowledged progress on event planning and supported ongoing event hosting agreements and bidding processes across multiple future competitions.

#### 7. Membership Matters

- The EC reviewed various membership cases and agreed on ongoing monitoring and engagement, including timelines and conditions for specific National Federations.
