

ISA Mentor Presenters

The ISA Coaching and Instructing Program aims to expand its network of approved ISA Course Presenters and increase the global reach of our programs. To ensure quality of the programs, all new ISA Course Presenters must complete the mentorship process with an approved Mentor Presenter. All ISA Mentor Presenters are appointed by the ISA and must meet the following requirements:

1. Delivered a minimum of ten (10) ISA Courses in the relevant discipline.
2. Proven record of timely and organized communication, administration, and payment of courses as determined by the ISA Membership and Development Department
3. Received only positive feedback from past course participants.

If you are interested in becoming an ISA Mentor Presenter, please reach out to the ISA Membership and Development Department at hannahcaskey@isasurf.org.
